### Artisan snack crackers

A taste of these crunchy and flavorful crackers should remove any lingering images of flatbreads as Swedish-style cardboard.

These German-style flatbread crackers, in six varieties, just became our favorites for nibbling plain as well as for piling with cheese or dips.

Extra kudos for the Seedlander and Muesli Kribbons styles, with spelt for gluten-free snacking.

**Doctor Kracker organic "snacker crackers," 8 ounces, \$4.49 on sale at Whole Foods Markets through January (regular price, \$5.99); at other natural-food stores or at [www.drkracker.com](http://www.drkracker.com).**
